Verification of Compliance

61.5-03-03-01. Verification of compliance.

1. At the January license renewal deadline immediately following their two-year continuing education cycle, registrants shall provide a signed and notarized statement provided by the board listing the continuing education courses taken and indicating compliance with the required twenty-five hours of continuing education. The board, in its discretion, may require additional evidence necessary from a licensee to verify compliance.
2. The board shall periodically select a sample of the licensed physical therapists and may request evidence of the continuing education to which they have attested. Documentation may come directly from the licensee or from state or national organizations that maintain those types of records.
3. A person who claims extenuating circumstances in not being able to meet the continuing education requirements shall petition the board for consideration of those special conditions.
4. As of January 31, 1992, licensees applying for licensure in North Dakota for the first time from other states or countries who do not have twenty-five hours of continuing education credits within the last two years will be required to complete thirteen hours of continuing education within a year of their initial licensure in North Dakota, and will thereafter be on the two-year continuing education cycle provided in these rules.

History: Effective April 1, 1992; amended effective July 1, 2004; April 1, 2006.
